

Thanks to the Levindale Auxiliary's generous donation, our unique Sensory Garden was created and designed to awaken all five senses with beautiful greenery, aromatic flowers, appetizing herbs, tranquil waterfalls, soothing music and colorful lights. This retreat is based on similar models in the United States and Israel.

To keep projects like this blooming, the Levindale Auxiliary Donor Wall recognizes supporters, like you, whose gifts provide services and programs that bring joy, dignity and pride to lives of our residents. The Auxiliary continues to support:

- ⌘ Eden Alternative and Neighborhood Model projects and supplies
- ⌘ Intergenerational events
- ⌘ Theater, restaurant, sporting event, concert, and museum trips
- ⌘ Buses for activities
- ⌘ Mezuzahs and large print library and prayer books
- ⌘ Guest bartending at Happy Hour with residents
